A Message from our Director, Brittany

Happy September! September is one of my favorite months of the year because it is the start to my favorite season, Fall! This month is also the month of National Assisted Living Week starting on 10th through the 16th, so watch for fun activities, dress up days and events going on that week! We have two resident birthdays this month, Happy Birthday to Sally

and Marian!

A Message from our Assistant Director, Tricia

Hi, my name is Tricia Schoeneck and I am the Assistant Director here at Milestone Senior Living in Rhinelander. I was previously the Life Engagement Coordinator up until March of this year. When not at work my husband, Eric, my two kids, Masen and Adisyn and our dog, Jovie like to go camping. Our favorite place to go is Big Bear Campground in the upper peninsula of Michigan. The campground is close to Lake Superior, Porcupine Mountains, and Lake of the Clouds. It is a great place to hike, explore, and find "yooperlite" during the nighttime. Eric and I are in a couples bowling league in the winter and our kids keep us busy throughout the year with track, cross country, soccer, and basketball. I am also the secretary for our school's parent/community organization (SCO). I look forward to a beautiful fall, as it is my favorite season and I also hope for a short winter and an early Spring.

Thanks for your time.

A Message from our CRC, Bella

It happened just last night. The crickets changed their song. You know what I'm talking about; that ever-so-subtle shift in nature that says, "Yes, it's hot right now, but autumn is coming... soon." This, of course, makes me start thinking about the many things on my "to-do" list that I haven't gotten done yet. Of course, there are the "must-dos" such as resealing the deck and taking the snowblower in for maintenance. But fall makes me think more about the stuff I'd like to do, or that I've been meaning to do. If you have been thinking about placement for your loved ones due to the weather change think about it sooner than later. We currently have a few openings in our memory care and assisted living at our Northwoods locations. Call Bella at 715-409-6511 for more information.
