## Directors Corners

Summer is finally coming to an end; I hope everyone enjoyed all the sunshine and fun activities Barb and Amanda had planned over the summer. I have been very eager to tell everyone “Happy Fall Y’all!” It’s the best time of the year. I am so excited for all things pumpkin and apple, Yum! (That means I am also very excited to see what Baking club has planned this month.) Nothing is better than a Pumpkin spice Latte and an apple cider donut! I am going to wrap this up by wishing you all a very Happy Grandparents Day. Grandmas and Grandpas make the world go round. Have a great September and please feel free to come visit me at the front desk any time.

## Nursing News From Our Health Care Coordinator:

---

Happy September,

This is my favorite time of year. September is Alzheimer’s awareness month and September is also National Assisted Living week. I am looking forward to some fun activities during that week. We do not have a lot going on in the nursing world except our new Assistant Healthcare Coordinator Jasmon. Jasmon has been here for over 2 months and fitting in very well. She has a lot of long term care experience and has been a great asset to our team. If you have not had a chance to say hi to her, please feel free to stop by and meet her.

Influenza vaccination consents have arrived. I am not sure of a date yet, but these consents need to be filled out prior so we can get an accurate account. You are also able to do Covid vaccination as well as a new RSV vaccination. Please let us know if you would like a consent form.

Thank you!

Sarah Hebert RN

## A Letter From The Community Relations Coordinator

Greetings! August was an exciting month to say the least! I am very excited about our theme for September, “Fall-ow The Yellow Brick Road”. I remember as a child growing up watching The Wizard of Oz. Our activity team has a jammed packed month for you all! I hope you are as excited as I am!

For your monthly house update from the Guinanes! We have unpacked all the boxes, installed new blinds, replaced light fixtures, and even added a birdhouse to the backyard. It is really starting to feel like home!

Do you have any family or friends you wouldn’t mind being your neighbors? For any of our current residents who refer to a family member or friend who moves into Emery Place will receive \$1500 off a month’s rent. How’s that for a deal! Feel free to stop by my office if you have any questions or just want to chat. Happy Fall Emery Place Family!

## A Letter From The Activity Team

Somehow September is here already. We have a lot planned for the month.

Come help us follow the yellow brick road to adventure. Our theme is Fall-ow the yellow brick road. Let’s help Dorothy get home and have fun along the way. Join us for a Oz Happy Hour and scavenger hunt. We have a trip plan to Perkins. If your crafty, join Amanda and myself making a scarecrow. Entertainers this month are Lena Adams, Janet Lieb and Dave Wirtz. September 23rd join us for a Classic Car Show, Lucinda will be grilling so be sure to tell your family to join us for a fun filled day. A bake sell is also in the planning.

\*Just a reminder appointments are done on Tuesdays and Thursdays. We ask that you let Amanda and myself know 2-3 weeks ahead of time. Also if a friend/family member can provide transportation for appointments it will be greatly appreciated.

Happy Fall !

Barb Wittenburg LEC and Amanda Carey MCC
