Our activities are always open to the public!  
Activities are subject to change.  
If you would like to eat with your loved one, the charge is \$8 per meal and you must call at least 24 hours in advance.

# Resident Spotlight with Darin \* Sherrelyn Bell

Our Spotlight Resident of the Month for April is Sherrelyn Bell. I am so excited to tell her story, and I hope you all enjoy reading it as much as I enjoyed listening to it. Sherrelyn is such a sweet soul, who values family very much. I think we can all learn something from her story.

Sherrelyn’s life began in 1943. She grew up in Independence, MO, and attended school at Rock Creek then went to high school at Central High and East High School in Kansas City, MO. After high school, Sherrelyn worked as a bookkeeper for different organizations such as Western Electric and Calhoun United Methodist Church. She also worked for an auctioneer, was part owner of a flower shop, and did some grant writing for the Chamber in Clinton, MO. Sherrelyn was the jack of many trades. Sherrelyn was married to Jim Hall for over 30 years. Jim worked for Power and Light Electric Company. They had 2 daughters, Eschelle & Carrie, and now they have grandchildren and great grandchildren. Sherrelyn had many hobbies, and most involved the farm life and animals. Sherrelyn had 70 acres in Calhoun, MO. She enjoyed plants & gardening, specifically berries & tomatoes (she even sold berries). Sherrelyn had many different animals. She raised 100s of blue birds and hummingbirds and kept meticulous records on them. She also had pet turtles, cats, dogs, milk cows, pigs and chickens. Boating at Truman Lake, camping & traveling to places like Texas & the Ozarks, square dancing club, and being active in the rodeo were also hobbies of hers. Sherrelyn very much enjoyed the small town, farm life. She was active in her church and even baked for church members when they were ill or had a need. She was even a Sunday School teacher. Sherrelyn shared with me that her younger sister Darlene was an integral part of her life. In fact, Sherrelyn said, “I couldn’t have made it without her.” When asked what her favorite memory of life was, I thought Sherrelyn’s response was simple yet so profound, especially in this day & age when we are all so busy, and don’t always make time for those we are close to. Sherrelyn told me, with a glow on her face, “ my 2 daughters and traveling to stay at Mom’s in Independence and the whole family getting together.” Well said and I will leave it at that.

I hope you all enjoy reading the simple, yet life well lived story of Sherrelyn Bell. The family (and animal) centered, farm life, is something that can teach us all a lesson.

Sincerely  
Darin Cizerle, Director  
Addington Place Lee’s Summit

# EmpowerMe Wellness

Hop into Spring with EmpowerMe Wellness. Residents can walk for 15 minutes, do NuStep or participate in an exercise class. They are tracking their participation on a sticker board.

Lisa Hill  
Clinic Director

Website: [empowerme.com](http://empowerme.com)

Missouri Hospice and Palliative Care will be sponsoring an informative session in **May** on how to better cope with a loved one who has **Alzheimer's or Dementia**. This will be open to anyone interested. Please watch for the date and time to be posted in the community and in our next newsletter.

Anyone that might have large print books from top authors such as James Patterson to donate to our library we would love to have them. We are also always in need of up to date magazines for our residents to enjoy. You may drop them off at the Concierges desk. Thank you!

*If you would like to donate candy for the Addington Place Easter Party, please have it to Debbie by April 5th.*

St. Patrick's Day Party
