*It's that time of year. We wish
We had some of these says the
residents*

In This Issue:

- *Bus trip
- *New Arrivals
- *Birthdays
- *Contact information

April Memories

Deb & Deborah decided to have a little fun with the bunny ears while decorating for Easter.

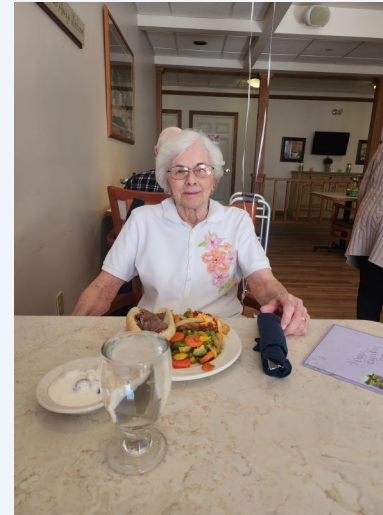

Doris comes every Sunday to play the piano and sing for the residents. Donna L. was singing so beautifully, I had to snap a picture. Addington had a great Easter egg hunt as well. I think every one enjoyed it.

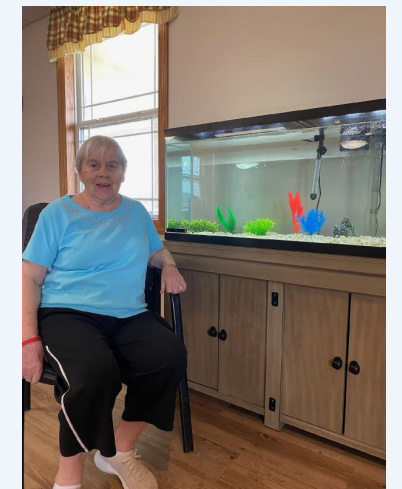

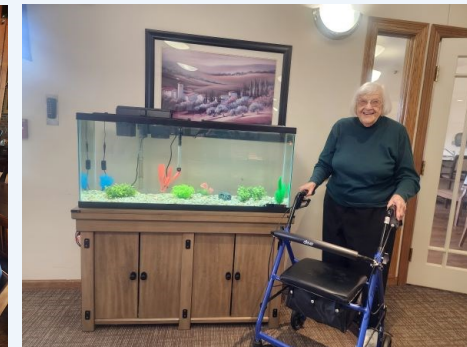

Birthday & New Arrivals

Betty A. had a wonderful birthday with several family members visiting her on her birthday. She joined the rest of our family at supper time. Happy Birthday, Betty.

Out to lunch & then off to buy fish for our tanks. These are the ladies who lunch! What's not to love about the sun, a fun bus ride, and a delicious meal at [The Drake Restaurant](#).

Fairfield Middle School took time out of their day to come play games and have ice cream with our residents. As you can tell the resident's really loved it. Thank you FMS fun joining us!
