Dare to Dream

"Take me out to the Ballgame! That's exactly what we did for April's Dare to Dream. The afternoon was filled with laughs, good friends and pizza! We were able to watch our hometowns University, ECU, take home the win against Morehead State. 5-4. He keeps telling all the staff what a good time he had.

A Note from Patty

Warmer temperatures and sunshine are heading our way, and our residents will be eager to get out and enjoy it! As a reminder, sunscreen and hydration is a vital part in staying healthy while getting that extra vitamin D. If you ever have any questions or concerns with your loved ones care, please contact me. We love our residents here at Arcadian Cove and want the best for them!
