Staff Spotlight

Nurse Karen Harper is a wonderful addition to our River Glen family. She started in April 2020 part-time, at the height of the Pandemic after the schools closed. She has since joined us full-time as is loving every minute of it! She enjoys crocheting, which was something she taught herself during the Pandemic! Reading, volunteering at her church, and walking her dog Murphy are also favorite hobbies. She is a mom to two amazing children who serve in the U.S Navy.

Notable Events

Getting To Know Me!

John-Michael Brooks **Assistant Director**

I have been happily working at River Glen for over 20 years! Every summer and every break from college I always returned to River Glen because it always felt like home. I enjoy establishing relationships with the not only the residents but my co-workers as well, which is probably one of the most rewarding parts about my job. I'm happy to have the opportunity to work with such inspirational co-workers who push me every day to think "outside of the box" My hobbies include working out, singing, and enjoying time with my family.

In bloom

Our beautiful flowers are starting to bloom in our Memory Care garden!
