Crafting Clubs

One of our most popular activities around Vintage Hills is our crafting clubs. We love to get together and create unique and conversational pieces of art. There is so much creativity all around waiting to be explored!

Fun Filled

Donuts and Drag racing was a Hit at Mens group! Conversations and refreshing beverages while cruising the cars made for a fun afternoon with the Guys !

Fun around Vintage Hills

Come join us for some of our other favorite activities. We enjoy our visits from our adorable therapy dog Dollie, manicures, gaming groups, and crafting. We keep fit by enjoying fun games like Bean Bag Baseball and Wii bowling. Our armchair travels take us all over the world Belgium, Italy and next to Taiwan! Were always looking for new ideas to get others engaged and active!
